

Department of Chemistry

SELECTION OF A RESEARCH ADVISOR

Each student is to interview any seven (7) professors whose research interests are indicated in the booklet given to you. Obtain the signatures of each professor interviewed on the lines below. Indicated a first and second choice of a major professor, and then return this sheet in the main office before the Thanksgiving Holiday. You will be informed of our decision before the end of the semester.

**Organic
Chemistry**

**Physical
Chemistry**

**Analytical
Chemistry**

**Polymer
Chemistry**

**Inorganic
Chemistry**

Student's Name:

_____ (Print Clearly)

Professor Signatures:

1) _____

2) _____

3) _____

4) _____

5) _____

6) _____

7) _____

Student's First Choice (one name)

Student's Second Choice (one name)

Present Objectives (M.S. or Ph.D.)

Major Area Selected

_____ (e.g. Organic, Physical, Analytical, Polymer, Inorganic)

Acceptance by Professor

_____ Date: _____

Location of Research

_____ (e.g. UT, Bu 665)

Department Head Approval

_____ Date: _____
